References:

Title 5 Sections 55000, 55040, and 55046

Academic renewal is the alleviation of previously recorded substandard academic work, as defined in Title 5, which is not reflective of a student's demonstrated ability. The Superintendent/President in consultation with appropriate participatory governance groups as stipulated in BP 2510 Participation in Governance and Local-Decision Making, and in accordance with Title 5 shall establish procedures that provide for academic renewal.

The procedures shall include a clear statement of the educational principles upon which they are based, and shall be referred to as academic renewal procedures. When academic renewal procedures adopted by the District permit previously recorded, substandard course work to be disregarded in the computation of grade point averages, the permanent academic record shall be annotated in such a manner that all work remains legible, insuring a true and complete academic history.
