5.1 First Reading: Special Report to Accrediting Commission for Community and Junior Colleges Addressing Warning Status (Accreditation Task Force) – L. Gaskin, (Att. 5.1)

When the college was placed on warning in March 2012 by the Accrediting Commission for Community and Junior Colleges (ACCJC), the sanction came with follow-up requirements including: (1) address the deficiencies noted in the recommendations accompanying the warning sanction; (2) prepare and submit, by March 15, 2013, a special report addressing all areas identified by ACCJC as not meeting accreditation standards; and (3) a second ACCJC site visit following submittal of the special report in spring 2013. The college's Accreditation Task Force (ATF) was convened in August 2012 to assume responsibility for preparation of the special report. This team met throughout the late summer and fall semester to carry out this charge. The draft special report is being presented to CPC for first reading today followed by a second reading and action. The report will then be presented to the Board for two readings and action in February 2013.

5.2 Classified Vacancies – EC Plus - – L. Gaskin, handout

The ad hoc group (EC Plus) appointed to carry out the CPC Classified Vacancy Prioritization would like to discuss this process in light of the recent passage of Proposition 30, the understaffing across the institution, and the projection that SBCC's budget will be structurally balanced in 2013-14.
